## IT'S PALM SUNDAY!

1. Today is called "Palm Sunday". Do you know what a palm is? Do you know why we call this Palm Sunday? *(Leader: Read Mark 11:1-10.)*

2. Jesus was coming to the big city of Jerusalem. He had just finished performing a great miracle. It was probably the greatest miracle He had ever done! Do you know which one it was? *(Leader: Let them guess and then tell them the He just raised Lazarus from the dead! Explain that it was a great miracle because Lazarus had been dead for 4 days!)*

3. Because of this great miracle great crowds were following Jesus! Did you notice that Jesus told His disciples to go get a colt for Him that had never been ridden, but when they brought it to Jesus, He got on it immediately! That's another miracle! Have you ever ridden a horse that has never been ridden before? Sometimes it can be a rough ride!

4. Why do you think they called Jesus their King? Do you think it was because they saw the miracles? Do you think they loved Jesus?

5. As we talked about before, this is Palm Sunday because we remember when Jesus rode into Jerusalem and the people laid palm branches at his feet. Some of the people spread out their coats for Jesus to walk on. If you had been there, what would you have put on the ground for Jesus to walk on?

6. One week after the people called Jesus their King he died on a cross. Jesus told the people that He was not going to be their King here on earth, but He was a King in heaven. Jesus died for you and for all the people that have ever lived or ever will live! If you believe in Him, He becomes your King. Is He your King today? Remember that He loves you. Stop now and pretend you are laying something at the feet of Jesus. What would it be? Maybe your life?

*(Leader: Have the children pray and thank Jesus for being their King!)*
