

Grace Place Kids Bible Study

WHAT BODY PART ARE YOU?

1. How many parts do you think your body has? Name some.*(eyes, ears, mouth, nose, head, brain, arms hands, feet, toes!)*

2. The Bible says that the church is the Body of Jesus. When Jesus went to heaven, God still wanted the work that Jesus did to continue, but Jesus was in heaven. So He decided that all of His children*(those that believe in Jesus)* **would become the Body of Jesus on earth! He said that Jesus would be the head, so we would know exactly what to do, and the Holy Spirit inside of all believers would be our power! Read what the Bible says about the Body of Jesus in 1 Corinthians 12:12 & 13.**

3. God wants you to understand that every part of the Body of Jesus is important. Read 1 Corinthians 12:14-20. Who decided where you should be in the Body?*(God)* **Why do you think it is important to be happy about your place? What part of the Body do you think you are? Look around the room. Can you figure out who might be the different parts of the Body of Jesus.***(Example: If someone talks or sings about Jesus, they might be the mouth. If someone is a worker they might be a hand!)*

4. Read 1 Corinthians 12:21-26. Everyone is important and we all need each other! We are all here to help each other so that God's family will grow here on earth! Stop now and thank God for your place in the Body of Jesus!
