## **GOD MEDITATION ALPHABET**

**By Gary Lanier**

There are several ways to use the alphabet:

1. For a personal time of meditation and refreshment...  
BREATHE IN... and say, "Holy Spirit fill me."  
BREATHE OUT... and speak out one of the letter statements in the alphabet.
2. For personal study time... each letter statement is designed to help you focus on attributes and praise of God including a scripture reference for additional study.
3. For small group studies... consider using the alphabet as an ongoing study and discussion time in your small group, which may be with your family or friends.
